

## image consulting

In 2003, Calista Grand will launch a revolutionary program called "Evolution," an image consulting service to enhance your total look, including hair, makeup, wardrobe and confidence. Our consultants offer services ranging from a face-to-face consultation to a shopping excursion. The goal of Evolution is for you to achieve your next level of confidence with your image.

When you are finished the Evolution program, not only will your wardrobe will be full of clothes you love and wear, but your new look will feel great and accurately reflect your unique personality.
